

BenQ InstaShow™ WDC10

Plug and Play. One Button to Start Wireless Full HD Presentations

BenQ's InstaShow™ is the wireless presentation solution that lets you share ideas immediately from nearly any device. Allowing up to 16 users to share simultaneously, InstaShow™ can boost meeting engagement and enhance collaboration.

No Software Setup or Maintenance

InstaShow™ doesn't need any software installation or execution. There's no setup, configuration, or waiting for pop-ups to launch. Just plug into your PC or Mac and start presenting immediately.

Smooth Video and Audio Quality

With HDMI 1.4a video output standard and 16 bit, 48Hz audio quality, InstaShow™ supports up to full HD 1080p video and stereo sound without cable clutter or complicated driver selection.

True Plug & Play

Simply connect InstaShow™ into your device then push the button to start presenting immediately without hassle, without time waste. Up to 16 presenters can take part by using the InstaShow™ Button Kit.

Latest Wifi Technology

The latest 802.11ac WiFi guarantees extremely smooth wireless streaming without lag or buffering.

Strong Security

The security encryption and authentication protocols make this product safe, allowing to share confidential information without any concern for security breaches.
